

Ripple Impact NW Giving Circle – Sharing With Your Donors

Please help to further educate us about your work. We seek to better understand the issues, your organization's role in the community, and how we can support your organization.

This will be shared with Giving Circle donors.

You are welcome to be very brief or expand your responses. We look forward to hearing from your organization!

When completed, please **SAVE THIS FORM FOR YOUR RECORDS.**

Please upload this saved form and any additional documents you wish to share (up to two more documents, limited to 10MB per file) using [THIS LINK.](#)

If you are holding any amount for future work, please briefly explain.

Did your project/program achieve what you were seeking to accomplish?

How is success measured?

You are welcome to add anything that might help us better understand your organization and how our funding assisted in your work.

If you made significant changes in the program or budget from the original proposal, please explain. Perhaps you told us about them previously. But this report offers a helpful recap for all your supporters.

Thank you for your time dedicated to completing this report.
